COMMITTEE REPORTS:

CEMETERY:

SEXTONS REPORT: Report for October 2025 was submitted. A motion was made to accept the report was made by Councilman Bacon, seconded by Luce. All were in favor, MOTION CARRIED.

Superintendent Mitchell stated the cemetery crew is all done working for this year. The cemetery house has been winterized.

HIGHWAY: Superintendent Mitchell state the trout stream application came back from the Department of Environmental Conservation. The work on the retaining wall at Poags Hole will be in the Spring when the water is a bit warmer. The permit granted will last until 2027.

AIRPORT: Councilperson Bacon stated that the Remedy of Violation was given to LMC last week.

There was 4,000 gallons of fuel delivered to the airport. In October there was \$3,700.00 in fuel sales.

Runway striping was completed. There was \$16,000 in donations, and the Town ended up paying \$10,000.

The Pilots Association would like to make improvements to the bathrooms at the main hangar. Councilperson Bacon spoke about the system being on septic. Superintendent Mitchell suggested they locate the tank and have it pumped. Councilperson Colella asked who would be responsible for cleaning the bathrooms. Rick Lafford stated it would be volunteer cleaning within the association.

Councilperson Bacon started a general discussion regarding the airport and the financial impact it has on the budget. The town could discuss ways to keep it open or close it. Closing an airport would require government approval from our elected officials, and/or the Federal Aviation Administration. If it were to remain open, the public needs to be made aware of the financial impact it would have on their local taxes. There are a lot of questions that the board would need answers to in order to make the best decision. If the airport were to remain open, the board has to figure out how to increase revenue and decrease expenses.
