COMMITTEE REPORTS:

CEMETERY: SEXTONS REPORT: Report for September 2026 was submitted. A motion by Councilperson Bacon and a second by Luce to approve the report as submitted. All in favor. MOTION CARRIED.

Highway Superintendent Mitchell stated the crew rented a stump grinder and used it to grind 27 stumps from trees that were left over the years.

The windows have been replaced at the cemetery house. The next steps of house renovation are water lines, kitchen and bathroom flooring, and appliances. A lot of the work going forward can be done by the Town Employees to save on labor cost. During the Spring/Summer of 2027 the Town will be looking to rent the house. A motion by Councilperson Bacon and a second by Luce to allow the spending of up to $10,000 to complete the renovations to the cemetery house. All in favor. MOTION CARRIED.

Seasonal Cemetery workers and mowers will be laid off around mid-November, weather permitting.

The cemetery workers have requested a clothing allowance to purchase boots/clothing every year. A motion by Councilperson Bacon and a second by Infantino to allow a $250.00 clothing allowance per year for part-time/seasonal workers. If they are a new employee, they must complete 3 months of work before they can use the allowance. This will become effective January 1, 2027. All in favor. MOTION CARRIED.

HIGHWAY: The black top on Pleasant Valley Road has been completed. The salt and sand is mixed for the year. Roadside mowing is almost completed for the year. CHIPS reimbursement has been received. There will be $30,779.61 that will be rolled over to next year.

AIRPORT: Councilperson Bacon stated fuel sales for the month were $about $4,100.00. The tank is at 100 gallons and has been turned off for now until more fuel can be purchased. Tree removal at 28 Maple Street has started and will be completed by Thursday of this week weather depending.

There is a bill that Supervisor Horr presented from our Airport Engineer McFarland Johnson. It is $3,564.90. There is still discussion on who should be responsible for payment of this bill. Councilperson Colella would like it to be paid for by LMC, as well as any other bills regarding the LMC crane issue past or present to be paid by LMC.

A motion by Councilperson Colella and a second by Bacon to ask LMC to pay the current bill of $3,564.90 to McFarland Johnson. All in favor. MOTION CARRIED.

Airport Manager Rick Lafford has been working with area airports to split the fuel load to make the cost cheaper. He is looking to purchase 2,000 gallons to get through to the Spring of 2027. A motion by Councilperson Bacon and a second by Colella to allow the purchase of 2,000 gallons of fuel for the airport tank. All in favor. MOTION CARRIED.

RECREATIONAL/BLDG & GROUNDS: NYSEG was requesting a waiver on our zoning laws, but the Town does not have the authority to do that unless we pass a local law granting the authority to override Zoning Board. At this time, the board does not wish to do that.

Supervisor Horr was also approached by NYSEG about installing a water line at the substation on Frontage Road. Supervisor Horr will gather cost information, and report back to them. NYSEG will be willing to pay for the cost of materials and installing the water line.

Last year the Town was awarded a $20,000 park and recreation grant with plans for a pickle ball court. The grant for the court was not awarded. We need to spend that $20,000 on the park by the end of this year. The following is a list of needs proposed for the park:

- Walkway2,100'L X 5'W Asphalt 2"thick at $100.00 per ton + $12,688.00
- Bleachers 12' long 3 row aluminum $2350.00 each need 6 = $14,100.00
- Playground (Grainger ultra play kids 5-12 age range) $19,229.00
- Parking lot extension/base for pickleball court 100'X 200'

  Geotextile fabric $1,600.00
  Cr2 $6,086.00
  Cr1 $3,568.00
  10-ton roller rental $1,810.00
  Total: $13,064.00

A motion by Councilperson Bacon and a second by Colella to use the funds for the parking lot extension (without the roller cost), and 4 sets of bleachers, at a cost of $20,651.00. All in favor. MOTION CARRIED.

Supervisor Horr would like permission from the board to send out a Request for Proposal for an Engineering assessment of heating, air conditioning, and lighting systems. He would like to send it to as many firms as possible with a due date of 11/10/26.

A motion by Councilperson Bacon and a second by Colella to allow Supervisor Horr to send out RFPs for building engineering assessment. All in favor. MOTION CARRIED.

Review of monthly payroll summary/registers and bank statements: E-mails were sent to all board members Reconciliation Summary of Banking Accounts and Bank Statements (General, Highway,

Airport, Water District and Trust & Agency) for the period ending September 30, 2026, for their review. The Town Clerk presented a hard copy of these materials for board review. Board members had no concerns with the information contained in the financial material.

A motion by Councilperson Bacon and a second by Luce to approve $325.00 to the Chamber of Commerce for Winter in the Village Ice Sculpture. All in favor. MOTION CARRIED.

A motion by Councilperson Bacon and a second by Colella to pay all bills as audited, General Account Vouchers for September 2026 #216- #236 incl., totaling $32,900.55, Highway Account Vouchers for September 2026 #100- #115 incl., totaling $39,338.07. All in favor. MOTION CARRIED.

Supervisor Horr gave the board information from William Fuller Real Properties Tax Services Director with Livingston County on 100% Veteran Exemption from real property taxes. This is optional, and we have a choice whether to pass a local law or not.

Supervisor Horr requested a motion to go into executive session to discuss a legal issue. A motion by Councilperson Bacon and a second by Colella to enter into executive session. Executive session entered at 8:02pm.

A motion by Councilperson Colella and a second by Bacon to come out of executive session. Executive session ended at 8:48pm.

A motion by Councilperson Colella and a second by Bacon to approve the following:

Dansville Airport's runway 14's threshold shall be displaced as soon as possible to the length submitted by McFarland Johnson to the FAA. The displacement shall be temporary until a permanent solution is found. Timing of this displacement is dependent on when the actual painting of the runway can be completed and advance approval of the FAA as to the work to be done. Since it is temporary, a revised ALP (Airport Layout Plan) does not have to be submitted. When the threshold displacement is completed, the runway lights and VASI navigation system shall be disconnected, making the airport a daytime only operation. If the threshold displacement cannot be completed by November 10, 2026, an extension of the current Order to Remedy will be granted to LMC until said displacement is completed and the displaced threshold runway is operational. All in favor. MOTION CARRIED.

A motion by Councilperson Bacon and a second by Colella to adjourn the regular meeting. Meeting adjourned at 8:52pm.

Respectfully submitted,

Lori Tyler
Town Clerk
